

RENTAL RATES 2024

STANDARD RENTAL

Pro Center has an easy-to use **rent & change standard rental** system. You pre-reserve your favourite board type but you can swap to a different board at the spot any time and as often as you like—even if you just want to test it for a few hours! Sails are not pre-reserved but there is free choice from our entire rig pool. Our booms are equipped with fixed harness lines at a standard length of 30". If preferred, private lines can be mounted on the boom.

For your comfort we offer optional collision damage **insurance** for rental equipment. This insurance covers all damages on board and rig incurred on the water. The coverage excludes willful destruction and damage caused at land.

WINDSURF+ RENTAL

Windsurf+ rental option is offered at a small surcharge and also includes rental of wind- and wing foil equipment. With this option you will for sure be able to make the most out of all sorts of wind conditions.

This pool is offered on a **fair use basis**. Depending on the center's occupancy fair use of foil equipment should be no more than 2 hours a day .

Insurance against damage of equipment is offered at the same terms as under standard rental.

PARTNER POOL

The **Partner Pool** is ideal for couples that do not want or cannot windsurf at the same time. Under this option you have a main partner and a floating partner. The main partner's board will remain reserved even if the floating partner chooses to take a different board. However, the partners can only windsurf alternately – they cannot sail together at the same time.

Insurance against damage of equipment is offered at the same terms as under standard rental.

YOUNG GUN POOL

For young windsurfers up to 12 years we offer a **Young Gun Pool** which includes equipment that has been especially designed and developed for the physiological requirements of young people. The easy-to-use Rent & Change System also applies within the Young Gun Pool.

Insurance against damage of equipment is offered at the same terms as under standard rental.

Pre-book your board and save! The pre-book rates for weekly board rentals as shown in the table are **10% cheaper** than local rates. So don't miss out and book early!
